Re: ET Docket No. 04-186 Notice of Oral Ex Parte
Presentation

Dear Ms. Dortch:

On July 28, 2008, Harold Feld, Senior Vice President, Media Access Project Elizabeth Broomfield, Summer Intern, Media Access Project, and Michael Calabrese, Vice President, Director of Wireless Futures Program, New America Foundation, met with Bruce Gottlieb, wireless advisor to Commissioner Copps, on behalf of the Public Interest Spectrum Coalition with regard to the above captioned matter.

PISC representatives explained the details of the informal complaint and *Petition for Rulemaking* filed by the Media Access Project on behalf of PISC on July 16, 2008. PISC also expressed concern regarding interference testing by the FCC between prototype unlicensed devices and wireless microphones in venues in which the wireless microphone system is illegal.

In accordance with Section 1.1206(b) of the Commission's Rules, 47 CFR §1.1206, this letter is being filed with your office.

Respectfully submitted,

/s/

Harold Feld
Senior Vice President
